Bachelor

**Short Answer**

The Cook Inlet Dental Hygiene Association is interested in learning as much about you as possible. A better understanding of an applicant's background, thoughts and attitudes will help in determining the scholarship recipient. Please respond to the questions listed below and limit your answers to approximately 100 words per question.

- Leadership/Group Contributions:** Describe examples of your leadership experience in which you have significantly influenced others or contributed to group efforts.
  
  
  
  
  
  
  
  
  
  
- Community service:** Explain what you have done to make your community a better place to live. Give examples of specific projects in which you have been involved.
